Mammogram	\$269.72	\$132.33

PPO Network Pricing

With any PPO insurance plan all medical claims are PPO repriced to a reduced amount, typically much less than a hospital's or doctor's regular prices for the uninsured public.

The above example for a doctor's office visit is \$72 after PPO repricing. The insurance pays the \$72 and sends you a check for the remaining \$48.

Benefits

Pays \$120 per Doctor's office visit

Pays \$500 for MRI, CAT scan or nuclear testing

Pays \$160 per other diagnostic Testing or x-rays

Pays \$80 laboratory testing
