Note:

With any PPO insurance plan all medical claims are PPO repriced to a reduced amount typically much less than hospital's regular prices for the uninsured public. Therefore, using the above example for a doctor visit PPO repricing of \$72, after the insurance pays their \$80 benefit you'd owe \$0.

- * Pays \$80 per Doctor Visit
- * Pays \$525 MRI, CAT scan or Nuclear Testing
- * Pays \$120 per other Diagnostic Testing or X-rays
- * Pays \$30 Laboratory Testing
